DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In line 8 of claim 7, delete "a protective coating" and insert, --the protective coating--.

REASONS FOR ALLOWANCE

Claims 1-4, 6-7 and 19 are allowed.

The following is an examiner's statement of reasons for allowance:

Gorowitz et al., Noddin and Scherer fail to disclose the combination of all the limitations recited, including a method for packaging a microelectromechanical system (MEMS) device comprising the step of removing the release sheet, wherein the providing the cavity comprises, prior to removing the release sheet, providing a hermetic coating in the cavity.

Therefore, the amended limitation together with the overall structure of the method for packaging a microelectromechanical system (MEMS) device is neither anticipated nor rendered obvious over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
